I have read the system’s policy relative to the attendance on non-resident students and agree to the terms stipulated. I also agree to pay tuition as required by Board policy for students living outside Monroe County. **I understand that my child may be denied enrollment or removed from Sweetwater City Schools for failure to maintain an acceptable academic, attendance, and or discipline record. Falsifying any of the above information may also serve as grounds for denial or removal from Sweetwater City Schools.**
