**\*Due to Covid-19, some policies may need to be  
adjusted accordingly.\***

### **Mission**

SPS students will learn with pleasure while achieving their fullest potential in academic and social skills appropriate to their developmental level. These skills will include language arts, math, science, and social studies.

### **Vision**

SPS is committed to providing a comprehensive education in a secure and nurturing environment in which all students are motivated to achieve their maximum potential and develop as responsible citizens and lifelong learners in an ever-changing world.

### **Protection of Classroom Instructional Time**

Each day we have limited time to make sure your child is progressing toward mastery in all the areas that are deemed necessary and that are tested at the end of each year. It is imperative for your child to be in school each day and for the faculty and staff of SPS to make sure that time we are with your children is protected. SPS is working very hard to limit interruptions and events that create a disruption to the classroom instructional time. Visitors will **NOT** be allowed to see teachers without scheduled conferences. These conferences need to occur during the planning period of the designated teacher.

### **Emergency Information Card**

A legal parent or guardian must complete an Emergency Information Card for each child. List persons and their phone numbers who are allowed to check your child out or pick them up in case of sickness or an emergency. **The student will not be able to leave with anyone whose name is not on the Emergency Information Card. These cards should be updated during the year when addresses, telephone numbers, or custody changes.**

### **Visitors**

Parents, volunteers, or other citizens are welcome to visit our school. We must, however, for the welfare of our students, insist on the following: **All visitors must report to the school office!** Students from other schools may NOT be visitors in the classrooms due to possible disruptions. Parents/Visitors will NOT be allowed to visit the classroom without a scheduled meeting with the teacher during the teacher's planning time.

### **Admission Requirements**

Every student entering SPS for the first time is required to provide:

- Birth Certificate
- Tennessee Certificate of Immunization
- Proof of Physical Examination
- Social Security Card
- Proof of Address

### **Kindergarten Enrollment**

Children entering Kindergarten must be 5 years of age by Aug. 15th of the year enrolled.

### **Transfer/Moving**

Let the office and teacher know when and where you are moving so that your school records will promptly follow you to the new school. You will sign a release at the new school to authorize records transferred.

### **Attendance**

Attendance is a key factor in a student's success in school! Students are rewarded every nine-weeks for perfect attendance. An absence is recorded whenever a child misses more than ½ day (3 hrs. & 15 min.) of school. Tardies and early dismissal absences will accumulate into absences in the following manner. On each 5<sup>th</sup> unexcused tardy or unexcused early dismissal, the accumulated actions will be converted to a day of unexcused absence. This day will be added to any other unexcused days of absence.

### **Excused Absences**

TN State Law excuses absences caused by sickness, family illness, death in the family, and recognized religious holidays.

- K-2<sup>nd</sup> grade: up to 5 days with a note signed by the parent.
- All grades: unlimited excuses with a doctor's note.

### **Unexcused Absences**

TN State Law (TCA 49-6-3007(E) (1) requires that schools notify the social worker/attendance officer when a child is absent (unexcused) for any 5 or more days (not necessarily consecutive). Once a student reaches this point, the student and parent(s) will be summoned to appear before the truancy board. If the absences continue, then the family must appear before the juvenile court judge.

### **Arrival**

**\*\*THE SCHOOL DAY BEGINS AT 8:00 A.M.\*\***

Students who arrive early will go to the cafeteria. Walkers and car riders are asked not to arrive before 7:00. This is when the first bus arrives and supervision of students begins. Your child's teacher will take the children to the classroom at 7:50. Students are expected to arrive at school on time. If you arrive late to school, report to the office for a late slip. Repeated tardiness will result in lost learning opportunities and may require parent/pupil/principal conference and a summons to truancy board or Juvenile Court.

### **Dismissal**

The regular school day ends as follows:

- PK- 1:30
- K- 2:30
- 2:50- Car riders & Walkers
- 2:55 = Buses

\*All Kindergarten students who are not bus riders will be dismissed at 2:30.

\*Doctor's appointment card is required for any student checked out between 2:30 PM and 3:00 PM.

### **Pick-up/Drop-off Points**

Buses will operate in a separate parking lot (east or back lot) from cars (west or front lot). Car riders will board their car near the front door and gym. You **MUST display the car tag**, with your child's name on it that you are given at the beginning of the school year, in the windshield of your vehicle so that car pick-up goes quickly and smoothly. ALL students must be picked up no later than 3:30. Kindergarten students that leave at 2:30 will be the **ONLY STUDENTS** that may be picked-up in the back parking lot.

### **Early Dismissal**

For the protection of your child, any student leaving school during the day **MUST** be checked out through the office by a parent or other authorized person. Parents are not allowed to go down the hall without a visitor's pass. **Teachers continue class until 3:00 dismissal (reviewing, finishing lessons, giving homework instructions, etc.); therefore, students may NOT be checked out between 2:30 and 3:00 unless you have a doctor's appointment card.** Tardies and early dismissal absences will accumulate into absences in the following manner. On each 5<sup>th</sup> unexcused tardy or unexcused early dismissal, the accumulated actions will be converted to a day of unexcused absence.

### **Emergency Dismissal**

In case of severe weather, school may be closed or delayed. Listen to the radio and TV local TV stations for information. You may also register at [www.wbir.com/news/mobile/text.aspx](http://www.wbir.com/news/mobile/text.aspx) for a text alert to your cell phone when a school closing is announced.

### **Illness & Medications**

By law, any child that has a contagious medical problem cannot remain at school. Signs and symptoms include (but are not limited to) pink eye, Fever > 100.5, vomiting/diarrhea, weeping skin lesions, headache with fever, and some rashes. If your child has been sick, please be sure the school can reach you in case of return of symptoms.

No school officer or teacher shall routinely dispense medication to students except when it is required for the child to be in school. Before any prescription OR over the counter medicine is given at school, a medication request form needs to be filled out and signed by a parent/guardian. These can be obtained in the school office. In order for prescription medicine to be given at school, a doctor's order must be on file (this may be a copy of the physician's prescription or a copy of a medication request form completed and signed by the physician.) This must be done each time a new medicine, dose, time (any addition or change) is ordered.

**\*ALL MEDICINE MUST BE IN THE ORIGINAL CONTAINER with the original label. We must follow label directions.**

\*Morning and afternoon doses should be given at home.

\*Children CANNOT take medicine home. A responsible adult must pick it up.

### **Head Lice**

Head lice will be dealt with on a case by case basis. Parents will be notified and treatment options recommended.

### **Student Discipline**

We stress to our children that they should learn to make responsible choices and that when they have a problem, they will help work with us to furnish a solution by choosing more appropriate behavior. We EXPECT students to display SELF-CONTROL and to act with respect to others. The general rules we all expect to follow include:

- Follow the teacher's first request.
- Keep hands, feet, and other objects to yourself.
- Walk and talk quietly. Use proper language (no put downs or cursing)
- Take care of school property. (NO GUM or damaging books)
- Leave all toys at home.
- No bullying. (Defined as unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated over time.)

### **Weapons, Drugs/Alcohol, & Tobacco**

Weapons: Students or visitors ARE NOT allowed to bring any weapons onto the school campus. A weapon is any device capable of inflicting injury to or disabling another individual. (This includes knives, guns, lighters, incendiary devices, explosives, or poison/gas devices.)

Drugs & Alcohol: TN State Law has established ZERO TOLERANCE for drugs at schools. Any student who sells, possesses, uses, or is under the influence of illicit drugs, narcotics, or alcohol in or on school property, including buses, shall be suspended from school and reported to the appropriate law enforcement agency.

Tobacco Products: The use and/or possession of tobacco products is prohibited. Any student who breaks this rule will receive disciplinary action. This rule applies in the school building, on the school grounds, on buses, and at any school sponsored activity.

### **Bus Conduct & Consequences**

Riding the bus is a privilege extended to the students by the school district. From the time a student boards a bus until he/she is dropped off in the afternoon, he/she will comply with the bus driver's instructions. A signed bus contract is required for every student that rides the bus. Rules and regulations are listed on the contract you sign. For safety and welfare of ALL STUDENTS, the bus driver will not tolerate any misconduct on the bus. Therefore, the following consequences will apply:

- 1<sup>st</sup> offense = the child will be warned and parents contacted.
- 2<sup>nd</sup> offense = the child will be suspended from the bus for 3 days.
- 3<sup>rd</sup> offense = the child will be suspended from the bus for 5 days.
- After each subsequent offense, the bus suspension will DOUBLE.

**SEND A NOTE...**if there is a change in the way a child is to go home. A written note or phone call from the parent/guardian is required so that we are aware of the change.

This includes taking a different bus, getting off at a different stop than normal, going home with a friend, or riding in a car rather than on the bus.

**REMEMBER THAT ANY TIME YOUR CHILD IS TO GO TO A DIFFERENT PLACE OR GO HOME BY DIFFERENT MEANS WE MUST HAVE A NOTE FROM THE PARENTS!**

**Please work out afternoon plans PRIOR to the start of school. PHONE CALLS changing afternoon plans will be limited to EMERGENCIES ONLY and should RARELY occur.**

### **Dress Code**

Caring about how we look is part of how we feel about ourselves. Taking pride in a clean, healthy appearance is part of being at SPS. Students should dress in a way that they are **NOT DISRUPTIVE** to the learning in the school. All students will observe the following standards:

- Pants, shorts, and skirts must be worn at the natural waistline and securely fastened. No “sagging” is allowed. Skintight clothing such as spandex is not permitted.

Field trips are used to help the instruction of our subjects. Students represent SPS when they go on a field trip and are expected to behave in exemplary fashion. Field trips are *extra privileges* for the students. If a student fails to meet the regular academic or behavioral requirements of the classroom, the student will be denied participation on the field trip. A student **MUST** have a signed permission form to go. **Students who cannot go on the field trip or choose not to go on the field trip will be counted absent if they do not attend school on the day of the trip.**

### **Payments**

When you send cash or a check to school with your child it would be wise to put it in an envelope with your child's name, teacher, and the purpose for sending it, written to Sweetwater Primary School (unless directed otherwise). Please write separate checks for: the cafeteria, pictures, the school, field trips, fund raising, etc.

### **Instructional supply fees, textbooks, & library books**

- Instructional supply fees are furnished by the school board and are used to purchase workbooks as well as for manipulative and instructional materials for your child's use. From time to time, the teacher may ask for a small fee for a special project.
- There will be a list posted at school and at local stores before school begins that lists the materials that each needs to bring for classroom use. Once your child is assigned to a room, individual teachers may require some additional items, as not all teachers teach the same way.
- Textbooks are provided through state and local funds. The student is fully responsible for textbooks and library books issued for their use. All lost or damaged textbooks and library books will need to be paid for by the parent before the child's records can be transferred or before receiving grade cards.

### **School Pictures & Yearbooks**

Individual pictures are made in the FALL and in the SPRING. Group pictures are made in the SPRING. A school yearbook is available using FALL pictures. Notification will be sent prior to picture day. There will be one make-up day for FALL pictures. Please pay for or return pictures promptly and keep a record of payment in order to avoid disputes.

### **Parent/Teacher Conferences**

At no time should you be in doubt of your child's progress. Papers completed in class will be sent home regularly and a report card every nine weeks. Parent/Teacher conferences will be scheduled each fall and spring as needed. You will be notified during these conferences if your child is a possible candidate for retention.
